

How do I deduct my donation to Ag Community Relief on my taxes?

Charitable contributions to qualified organizations may be deductible if you itemize deductions on [Form 1040, Schedule A, Itemized Deductions](#).

The Internal Revenue Service Publication 526 Charitable Contributions explains how to claim a deduction for charitable contributions. It discusses:

- organizations qualified to receive them,
- the types of contributions you can deduct,
- how much you can deduct,
- what records to keep, and
- how to report them.
